- 9 In March 2020, the WORLD HEALTH ORGANISATION declared COVID-19 to be a pandemic. Covid-19 pandemic has been rapidly spreading throughout the world, including India. Government in India has taken significant measures to curb the spread of the virus including imposing mandatory lockdowns and restrictions in various activities. Consequently, Company's manufacturing plants and offices had to be closed down for a considerable period of time, during the quarter ended June 30, 2020. As a result of the lockdown, the revenue for the quarter ended June 30, 2020 has been impacted. Due to the lockdown from March 24, 2020, the operations came to a standstill and the sales were effected for the Month of April and May 2020. The company has assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, inventories, tangible and intangible assets, investments and other assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any further impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.
- 10 Transition to Ind AS -116 - Leases - Effective April 1, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise Right-of-Use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is of a low value. The Company has used the 'modified retrospective approach' for transition from the previous standard- Ind AS 17, and consequently, comparatives for previous periods have not been retrospectively adjusted. On transition, the Company records the lease liability at the present value of future lease payments discounted using the incremental borrowing rate and has also chosen the practical expedient provided in the standard to measure the right-of-use at the same value as the lease liability. The effect of Ind AS 116 on profit/(loss) for the current quarter ended June 30, 2020 is not material.
- 11 Other Income for the year ended March 31, 2020 in Consolidated Financial results includes the profit on sale of properties of the Company situated at Kuvempu Nagar, Jayanagar and Belawadi Industrial Area at Mysore. Consequently, major part of the sale proceeds have been utilised towards the repayment of the financial dues to the banks and financial institutions.
- 12 In the month of February 2020, Company has applied with Ministry of Company Affairs ("MCA") for closure of two of its wholly owned subsidiaries, Kesvik Developers Private Limited and Swaki Habitat Private Limited, as there were no operations done till now in these subsidiaries. Accordingly, the investments in the above mentioned subsidiaries are written off in the books of account.
- 13 The figures for the quarter ended March 31, 2020 are the balancing figures between the audited figures in respect of the full year ended March 31, 2020 and nine months ended December 31, 2019.
- 14 Details of Secured Redeemable Non-Convertible Debentures - NIL
- 15 Previous period figures have been regrouped wherever necessary to confirm with the current period presentation.

Independent Auditor's Review Report on Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To,
The Board of Directors
Kirloskar Electric Company Limited
Bengaluru.

1. We have reviewed the accompanying Statement of Unaudited Standalone financial results of Kirloskar Electric Company Limited ('the Company') for the quarter ended June 30, 2020 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Regulation") read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ("the Circular").
2. This Statement, which is the responsibility of the company's management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (Ind AS 34) - Interim Financial Reporting, prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder as applicable and other accounting principles generally accepted in India, read with the Circular. Our responsibility is to express an opinion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis of Qualified Opinion:

Attention of the Directors is invited to note 5 to the unaudited financial results regarding the amounts due to the Company from certain subsidiaries towards part consideration receivable on sale/assignment of certain immovable properties, receivables, interest charged and expenses reimbursed. We have relied on the management's representations that it is confident of realization of amounts due to the said subsidiaries aggregating to ₹12,557.03 lakhs (₹12,531.50 lakhs as at March 31, 2020) against which provision is recognized for an amount of ₹8,400.77 lakhs as at June 30, 2020. Pending disposals/realization of assets by the subsidiaries, shortfall in realization of the amount outstanding (net of provision), if any, could not be ascertained.

5. Based on our review conducted and procedures performed as per paragraph 3 above except for the effects in respect of the matter stated in the paragraph on "Basis of Qualified Opinion" and read with note 5 to the unaudited financial results, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Key Audit Matters:

- a) Note 7(b) of the unaudited financial results – The Directors have detailed the reasons for preparing these unaudited financial results on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries and associate) have incurred losses and their net worth is eroded. There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the Company adhering to the restructuring plan including that of ARCIL for assignment of borrowings from Axis Bank wherein the scheme of repayment is approved by ARCIL and that of infusion of requisite funds. We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on representations made by the Company and hence we opine that there is no existence of material uncertainty that may cast significant doubt on Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

7. Emphasis of Matter:

Without modifying our opinion, we invite the attention of the directors to:

- a) Note 8 of the unaudited financial results, which states that the Company has filed Special Leave Petition in respect of demands of resale tax penalty of ₹527 lakhs before the honorable Supreme Court of India. The Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the Company adhering to the restructuring plan including that of ARCIL for assignment of borrowings from Axis Bank wherein the scheme of repayment is approved by ARCIL and that of infusion of requisite funds. We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on representations made by the Company and hence we opine that there is no existence of material uncertainty that may cast significant doubt on Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

We have relied on this representation. Our opinion is not modified in respect of this matter.
