CHAIRMAN'S MESSAGE**Dear Shareholders,**

I hope you all are safe and in good health.

In many ways, 2020-21 was a challenging year for each one of us. The covid-19 pandemic has had a significant impact on lives, livelihoods of the people and the business. Operational challenges mounted due to restricted movement and disrupted supply lines during the first few months of the pandemic. As the second wave of the pandemic unfolded with predictions of a third wave in the offing, our focus continues to be on our people's health and safety. The relentless commitment and dedication of every member of the Kirloskar Electric family helped the business overcome many challenges in the past year. As a result, we have been able to bring down the curtains on the financial year.

On the business front, our immediate target has been to strengthen our business, restoring our financial position, earning power and driving long-term profitable growth. Owing to increase in prices of copper and electrical steel, there had been a deficiency in supply of raw materials due to which production had plummeted during covid outbreak affecting our business massively.

With respect to the electrical industry, the Indian economy is on the path to recovery as per several economic indicators and reports. The Indian power and distribution transformer market has been predicted to grow fast. Presently, the government is taking major steps to strengthen the power transmission and distribution network across the country. Therefore, demand for transformers is predicted to grow over the period of time which will indeed help in the growth of your Company. Further, the growth in renewable energy sector will also substantially help in increase in demand for transformers.

As per various surveys, the number of electrical vehicles on road will grow from 3 million to 125 million by 2030. Huge growth is expected for Electrical Vehicles in India which will see increase in demand for Motors. Your Company being one of the foremost manufacturers of Motors for Electrical vehicles is also well set for gaining from this segment.

Further Government of India is expected to go in for massive investment and expansion in infra projects viz airports, railways, roads and bridges, water supply, irrigations etc. Your Company is poised to benefit from their investments. Your Company will also benefit greatly due to the expected CAPEX plans from all key sectors such as Steel, Cement, Power, Infrastructure, Sugar and Defence.

The covid-19 pandemic has given your Company, as well as its Vendors and dealers, an opportunity to review and recalibrate all systems of working and becoming more efficient and competitive. Whilst this crisis has placed significant pressure on the Company, I look forward to the future with a great deal of optimism. I am sure your company will exit this period strong, better placed to accompany our clients through their recovery and back to growth. I am confident that we will overcome this situation together.

With this in mind, I would like to take this opportunity to show our appreciation to our employees for all their hard work and for tirelessly working through this extremely challenging year. You did an outstanding job and ensured that our company was able to bring this difficult year to a successful close.

On behalf of Board, I would like to thank all our bankers, financial institutions, vendors, suppliers and other stakeholders for their continued encouragement, support and trust in us. Most importantly, I would like to thank you, our valued shareholders, for supporting us and reposing your confidence in your company. We look forward to your continued support as we take on the challenges in the future.

Stay safe, healthy, and take care of your families.

Vijay R. Kirloskar
Executive Chairman

- (m) Members holding shares in physical form are requested to notify any change of their addresses timely to the Company's Registrar and Share Transfer Agent ("RTA"), i.e., Integrated Registry Management Services Private Limited, No. 30, Ramana Residency, 4th Cross, Sampige Road Malleswaram, Bengaluru – 560003. Members holding shares in the electronic form are advised to notify any change in their address to the concerned depository participants.

SEVENTY FOURTH ANNUAL REPORT 2020-21

- (n) Members desirous of making a nomination in respect of their shareholdings in the Company, as permitted under Section 72 of the Companies Act, 2013, are requested to submit the prescribed Form No SH.13 duly completed to the secretarial department of the Company.
- (o) The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their DEMAT accounts. Members holding shares in physical form can submit their PAN details to the Company.
- (p) Voting through electronic means in compliance with the provisions of section 108 of the Companies Act, 2013, Rule 20 of Companies (Management and Administration) Rules, 2014, as substituted by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, the Company has provided a facility to its members to exercise their votes electronically through e-voting service arranged through Central Depository Services (India) Limited ("CDSL"). The facility to cast votes through e-voting will also be made available during the AGM and members attending the AGM through Video Conference, but who have not cast/ exercised their rights to vote by remote evoting shall be able to exercise their right to vote through e-voting during the AGM. Members who have cast their votes through remote evoting prior to the AGM may attend the AGM through Vide Conference but shall not be entitled to cast their votes again during the AGM. The instructions for remote evoting are provided herein.
- (q) Mr. Sudheendra Ghali, Practicing Company Secretary (ACS No. 7037 / PCS No. 7537), has been appointed as scrutinizer to scrutinize the e-voting during the AGM and remote e-voting process in a fair and transparent manner.
- (r) **THE INFORMATION FOR MEMBERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**
- (i) The voting period will begin on Friday, September 17, 2021 (from 9.00 A.M) and will end on Monday, September 20, 2021 (at 5.00 P.M). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) The cut-off date for e-voting facility is Monday, September 13, 2021 and members whose names appear in the register of members shall be entitled to avail the service. Any person who becomes a member of the Company after dispatch of the notice of the AGM and holding shares as on the cut-off date is requested to contact Company's RTA to get the details relating to his/her user-id and password. Members may call the RTA through telephone number +91-80-23460815-818 or send an email request to irg@integratedindia.in.
- (iii) Members who have already voted prior to the meeting date would not be entitled to vote during the meeting.
- (iv) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its Members, in respect of all Members' resolutions. However, it has been observed that the participation by the public non-institutional Members/retail Members is at a negligible level.
- Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the Members.
- In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the Demat account holders, by way of a single login credential, through their Demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- (v) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual Members holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Members are advised to update their mobile number and email Id in their Demat accounts in order to access e-Voting facility.

Due to the pandemic and nationwide lockdown directive by the Central Government / Concerned State Government, the Company temporarily closed all its operations during the beginning of the financial year 2020-21, to prevent and contain the spread of Novel Coronavirus (COVID-19) and to ensure the health & safety of workers and employees. With necessary approvals from the competent authorities, the operations were partially resumed across all Units of the Company with limited workforce. Due to the effect of lock down, the Company decided to layoff its partial workforce at Unit-1 (Govenahalli), Unit-7 (Tumkur) and Unit-15 (Budhihal). As a consequence, the respective Union had called for strike against the partial lay off implemented by the Company. Against the said strike the Company has received an injunction order from the appropriate court having jurisdiction in the matter. The partial layoff continues in the said Units and industrial relation continues to be cordial.

Further the litigation with regard to usage of Trademark "Kirloskar" by the Company is pending before the appropriate Court. Your Company is confident that it will get the verdict in its favour.

RISK MANAGEMENT POLICY

Risk management is the process of identifying, measuring and minimizing uncertain events affecting resources. Enterprise risk management is about optimizing the process with which risks are taken and managed. The Company needs to assess which method best suits its objectives and its business. Risk management oversees and ensures the integrity of the process with which risks are taken. An attempt has been made by way of this document to identify the risk associated with the Company and the policies required to be adopted to mitigate the same.

Risk Management

- i) The Board, its Audit Committee and its executive management should collectively identify the risks impacting the Company's business and document their process of risk identification, risk minimization, risk optimization as a part of a risk management policy or strategy
- ii) The Board should also affirm and disclose in its report to members that it has put in place critical risk management framework across the Company, which is overseen once every six months by the Board. The disclosure should also include a statement of those elements of risk, that the Board feels, may threaten the existence of the Company.

It has therefore become mandatory for the listed companies to prepare a comprehensive framework of risk management for assessment of risks and determine the responses to these risks so as to minimize their adverse impact on the organization.

KECL recognizes that risk is an integral and unavoidable component of business and is committed to managing the risk in a proactive and effective manner

The Company believes that the Risk cannot be eliminated. However, it can be:

- Transferred to another party, who is willing to take risk, say by buying an insurance policy or entering into a forward contract;
- Reduced, by having good internal controls;
- Avoided, by not entering into risky businesses;
- Retained, to either avoid the cost of trying to reduce risk or in anticipation of higher profits by taking on more risk, and;
- Shared, by following a middle path between retaining and transferring risk.

The Risk Management policy of the Company shall primarily focus on identifying, assessing and managing risks in the following areas:

1. Company assets and property
2. Employees
3. Foreign Currency Risks
4. Operational Risks
5. Non-compliance of statutory enactments
6. Competition risks
7. Contractual risks

1. Policy for managing risks associated with Company assets and property

The policy deals with nature of risk involved in relation to assets and property, objectives of risk management and measures to manage risk. The risk management policy relating to assets aims at ensuring proper security and maintenance of assets and adequate coverage of insurance to facilitate speedy replacement of assets with minimal disruption to operations. The role and responsibilities of the departments shall be identified to ensure adequate physical security and maintenance of its assets.

2. Policy for managing risk relating to employees

The employees constitute the most important asset of the Company. The risk management policy relating to employees is therefore necessary to cover all risks related to employees and their acts/omissions.

The policy deals with the nature of risk involved in relation to employees, objectives of risk management and measures to manage risk. In particular, the objectives of employee related risk management policy aims at reducing attrition rate, providing adequate security to employees in relation to life, disability, accident and sickness, providing adequate legal safeguards to protect confidential information, and protecting the Company from any contractual liability due to misconduct/errors/omissions of employees.

3. Policy for managing foreign currency risk

The revenues of the Company are from both domestic and international sources. The Company at times may resorts to long-term and short-term borrowings in foreign currency to finance expansion plans and growth. Any such move would attract the risk associated with frequent changes in valuation of foreign currencies.

SEVENTY FOURTH ANNUAL REPORT 2020-21

The objective of foreign currency risk management is to protect cash flows and profit margins from volatility on account of fluctuations in exchange rates. The Policy for foreign currency risk management ensures that the treasury department continuously tracks movement of foreign currencies, avails services of experts and hedges the risk through appropriate mechanism such as forwarding contracts/options.

4. Operational risks

The Company is constantly working to limit the operational risk that run through all the facets of operations. This requires the combined efforts and support from all units including branches. The startup database of loss events is populated from internal audit reports. Apparent trends are analyzed and various operating groups combine into task forces to address these. The business continuity plan is reviewed quarterly by each unit.

5. Risks associated with non-compliance of statutory enactments

The Company being a legal entity engaged in manufacturing activity and listed on National Stock Exchange of India Limited (NSE) and BSE Limited (BSE). In view of the same, the Company is required to ensure compliance of provisions of various applicable statutory enactments, failure to comply one or more such provisions may render strict penalties as may be prescribed under such statutory enactments.

The Company shall ensure that qualified professionals are employed to comply with various laws. In addition to statutory audits, the Company shall promote undertaking of internal audit/s at different levels periodically to ensure timely check on statutory compliances.

6. Competition risks

Risk of competition is inherent to all business activities. The Company faces competition from the existing players in the domestic and international levels operating in the segment in which the Company operates. There is always an inherent risk that the existing competition may further get acute with the advent of new players and foreign players.

The Company needs to continuously upgrade its technology by conducting in-house research activities and should also have an updated knowledge about the requirement as per the industry standards. The Company is providing tailor made products to its customers so as to be ahead with other competitors. Further, the Company's strategy shall be to leverage its investments in its own high-profile brands, thereby leading to consolidation and value creation.

7. Contractual risks

There may be instances of defaults by customer/s in fulfilling contractual obligations as a result of which the Company may face financial losses. Similarly, defaults by the Company in fulfilling one or more contractual obligations due to reasons such as misrepresentations, breach of warranties etc cannot be ruled out.

The Company shall ensure that proper drafting of the contract and adequate indemnity clauses are incorporated in the contracts entered into with one or more parties, In addition, internal controls from technical team and strict supervisions and checks on execution of contracts and delivery be undertaken.

For and on behalf of the Board of Directors,

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economic Outlook

Since last year, the Coronavirus (COVID-19) pandemic developed rapidly into a global crisis, forcing governments to enforce lockdowns of all economic activities. In many countries, the uncertainty in businesses has forced for business to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, has resulted in an economic slowdown and temporary business shutdown. Covid-19 had a significant impact on the business operations of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lockdown of production facilities.

Towards the end of the financial year ended March 2020, the operations were disrupted at certain manufacturing facilities of the Company but the Company with its well networked team efforts and customer centric dedication has registered record sales by the end of Financial Year ended March 2021.

In view of the outbreak of the pandemic, the Company undertook timely and essential measures to ensure the safety and well-being of all its employees and workers at all its plant locations, various branch offices and the corporate office. The Company observed all the government advisories and guidelines thoroughly and in good faith.

Industry outlook

As per latest reports, the Indian Economy is likely to regain its pace in the current fiscal and once again expected to become one of the fastest growing economies in the world. India's Gross Domestic Product growth was 7.7% for the financial year 2020-21 as compared to 4.2% in 2019-20 reflecting the robust expansions, private consumption and firm investments to regain its pace once again in the current fiscal as a fastest developing country.

According to IMF, India's GDP is estimated to grow 12.5 per cent in FY22, the highest among emerging and advanced economies – an extraordinary revision over such a short period of time. India is the only country expected to register a double-digit growth this fiscal. After an estimated contraction of -3.3 per cent in 2020, the global economy is projected to grow at 6 per cent in 2021, moderating to 4.4 per cent in 2022, reflecting the normalization of economic activity based on inherent strengths.

Our Company being one of leading manufacturer of Electrical Capital goods such as AC Motors, Generators, DC Machines, Transformers and switchgears depends on the expansion, fresh CAPEX investment and infrastructure projects for growth and to sustain the same. With India poised to be fastest developing country we expect expansion and investments in core sectors like steel, cement, coal, water, irrigation, hydro carbon, electric mobility, renewable energy including the solar and banking in the country. Your Company caters its products to all these sectors and this growth is expected to have its impact on the increased demand for electric manufactured goods of the Company.

Your Company has taken several bold steps to remain competitive by optimizing the costs, rationalizing manpower and consolidating the manufacturing operations. The Company continues to enjoy strong brand image and acceptance of products and services on account of our constant focus on Product reliability, durability and competitiveness.

Opportunities

Your Company is one of the foremost manufacturers of Motors for Electric cars. India is well poised to register multifold growth in electric mobility space. As per various surveys, the number of electrical vehicles on road will grow from 3 million to 125 million 2030. Huge growth is expected for electrical vehicles in India which will see increase in demand for Motors. Further we see a sustained a growth for energy efficient products viz., motors, Converter duty Transformers for Solar and also BIS and Star rated Transformers for power distribution applications.

Threats

The Key sectors and end user Industry are going through a very rough business phase more particularly mining, steel, coal and infrastructure including the real-estate industry. Any change in the government policy and projects guidelines concerning new investments in these sectors, may have an adverse impact on demand for your products. Capacity utilization of the Company remains low and actual performance may also vary as it is dependent on several factors beyond the control of your Company.

Your Company continues to face competition from the unorganized sector and also new players making their presence in the country. However, your company has a strong base for its product in all sectors of the industries.

Segment wise or product wise performance

Your Company has identified the reportable segments as rotating machines group, power generation and distribution group and others, taking into account the nature of products and services, the different risks and returns and the internal reporting systems.

The segment wise turnover of your Company is as follows:

(₹ in Lakhs)

Products	2020-21	2019-20
Rotating Machines Group	11,493	11,064
Power Generation and Distribution Group	15,171	19,412
Others	1,094	965
Total	27,758	31,441

Note: figures has been regrouped as per IND-AS

Future Outlook

With the shutdown of operations at the beginning of the year we expect business conditions to stabilize and also expect more key reforms will be implemented by the Government in the current fiscal year which will have a positive effect on the growth of the Company in the coming years. Considering our current position we expect a stable growth over the coming years.

Risks mitigation measures

Your Company recognizes the unstable growth in core sectors as major risks and has initiated the following measures for mitigating the above business related risks.

Your Company continually upgrades its engineering strength and design capabilities by incorporating latest technologies in its products and services. Reduction in manufacturing costs and improvement in operating efficiencies are continuously pursued enabling it to offer competitive prices. The wide portfolio of products gives your Company a competitive advantage, as we can cater to the major verticals of the electrical engineering capital goods industry.

Your Company recognizes the importance of its supply chain in sourcing good quality raw materials and other inputs at competitive prices with high reliability in meeting delivery timelines.

Internal Control System and their adequacy

Your Company has Systems and internal Audits in place to have controls on all processes. System driven controls also ensure ease of monitoring and consistency of operations and Compliances. Your Company is under SAP ERP which ensures that there is reasonable assurance about the financial and accounting records and controls. To safeguard assets of the Company against damage/loss and accounting records are reliable for preparing financial statement the records are verified by Internal Auditors. Internal controls are evaluated by the internal auditors and supported by management reviews. All audit observations and follow up actions thereon are initiated for resolution by the respective functions.

Pending disposals/realization of assets by the subsidiaries, shortfall in realization of the amount outstanding (net of provision), if any, could not be ascertained.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

a. Going Concern Assessment – Effect of erosion in net worth of the company

Note 37(20) of the Standalone Ind AS financial statements – The directors have detailed the reasons for preparing these Standalone Ind AS financial statements on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries and associates) has accumulated losses and their network (after excluding revaluation reserve) has been eroded. There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the Company adhering to the restructuring plan and infusion of requisite funds.

- Our Address on the Key Audit Matter

We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on the representations made by the Company and hence we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a. Attention of the members is invited to note 37(21) of the Standalone Ind AS financial statements which sets out that the Company has filed Special Leave Petition in respect of demand of resale tax penalty of ₹ 527 lakhs before the Honourable Supreme Court of India. Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Standalone Ind AS financial statements and our auditor's report thereon. Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence regarding the quantification of shortfall in realization of consideration receivable from certain subsidiaries pending disposals/realization of assets by the subsidiaries. Accordingly, we are unable to conclude whether or not the other information in relation to this is materially misstated with respect to this matter.

Responsibility of Management and Those Charged with Governance for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/information of one branch, the Kuala Lumpur office of the Company, included in the financial results of the Company for the quarter ended and year ended March 31, 2021 whose financial statements/information reflect total assets of ₹ 214.95 lakhs as at March 31, 2021 and total revenues of ₹ 0.52 lakhs for the year ended on that date. The financial statements/information of the said branch has been prepared and submitted to us by the Management. The financial statements have not been audited by the Branch Auditors due to COVID 19 situation. So, to the extent the amounts have been derived from such financial statements is based solely on the financial statements/information provided to us by the Management. Our report is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;
 - c. The report on the accounts of the Kuala Lumpur office in Malaysia of the Company audited under Section 143(8) of the Act by the branch auditors have been forwarded to us and have been duly dealt with by us while preparing this report;
 - d. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - e. In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules as amended;
 - f. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
 - g. With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**"; and
 - h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company have disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 37(1a) to the Standalone Ind AS financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses under applicable laws or accounting standards;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure 'B' to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Kirloskar Electric Company Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Control and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of control, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial control over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**1 BACKGROUND:**

Kirloskar Electric Company Limited (“the Company”) was incorporated in the year 1946 and is a Listed Indian Company engaged in the manufacture and sale of electric motors, alternators, generators, transformers, switchgears, DG sets etc.

2 SIGNIFICANT ACCOUNTING POLICIES:**a BASIS OF PREPARATION OF FINANCIAL STATEMENTS:**

The financial statements of the company have been prepared in accordance with IND AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Freehold Land classified as Own assets and Leasehold Land classified as Assets taken on Finance Lease.
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

b USE OF ESTIMATES:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made. Examples of such estimates are estimation of useful life of assets, defined benefit obligations as per actuarial valuation, allowance for life time credit losses, warranty obligations, net realizable value of inventories etc.

c FUNCTIONAL AND PRESENTATION CURRENCY:

These financial statements are presented in Indian Rupees (₹), which is the Company’s functional currency. All the financial information is presented in Indian Rupees (₹) rounded to the nearest Lakhs, except Share and Earning per share data, unless otherwise stated.

d FAIR VALUE MEASUREMENT:

The Company measures financial instruments, such as derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- * In the principal market for the asset or liability, or
- * In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- * Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- * Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- * Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e **PROPERTY, PLANT AND EQUIPMENT (“PPE”):**

(i) **Tangible Assets:**

Land has been recognized on the revaluation model envisaged in Ind AS 16. Revaluations are carried out at sufficient regularity. Other items of PPE are stated at the cost of acquisition less accumulated depreciation and write down for, impairment if any. Direct costs are capitalized until the assets are ready to be put to use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of PPE as per Ind AS 16 are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of PPE and are recognized in the statement of profit and loss when the PPE is de-recognized.

(ii) **Intangible assets:**

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets comprise computer software held for use. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is de-recognized.

In both cases, the company has opted for the exemption provided in Ind AS 101 by treating the book value of PPE (other than land which was revalued on April 01,2016) and intangible assets as on the transition date (April 01,2016) as the deemed cost of the relevant assets.

(iii) **Depreciation & Amortization:**

- a. Depreciation on furniture and fixtures costing above ₹ 5,000/- provided at the residences of the employees has been charged at the rate of 33.33% on the straight-line method irrespective of the month of addition.
- b. Depreciation on assets taken on finance lease is charged over the primary lease period.
- c. Depreciation on PPE (other than Furniture and Fixtures provided to employees and assets taken on finance lease) bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act, 2013 on a monthly basis, depending upon the month of the financial year in which the assets are installed/sold.
- d. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

f **INVESTMENT PROPERTIES:**

- a. Investment properties are properties held for a currently undetermined future use and are valued at cost.
- b. An investment property is de-recognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Standalone statement of profit and loss in the period in which the property is de-recognized.

g **NON-CURRENT ASSETS HELD FOR SALE:**

Non-Current Assets held for sale are stated at cost or estimated net realizable value, whichever is lower.

h **INVENTORIES:**

- (i) Inventories does not include spare parts, servicing equipment and stand by equipment which meet definition of PPE as per AS-10 (Revised) .
- (ii) Raw materials, stores, spare parts and components are valued at cost on weighted average basis or net realizable value whichever is lower.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

- (iii) Work in progress is valued at works cost or net realizable value whichever is lower.
- (iv) Finished goods are valued at works cost or net realizable value whichever is lower.
- (v) Material cost of work in progress and finished goods are computed on weighted average basis.

i REVENUE RECOGNITION:

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue to be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1st April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1st April 2018.

The cumulative effect of initially applying Ind AS 115 is recognised at the date of initial application as an adjustment to the opening balance of retained earnings. Therefore, the comparative information was not restated and continues to be reported under Ind AS 11 and Ind AS 18.

Effective 01st April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01st April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

j EMPLOYEE BENEFITS:**(i) Short term employee benefits:**

All short-term employee benefits such as salaries, wages, bonus, special awards and medical benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognized on an undiscounted basis and charged to the statement of profit and loss.

(ii) Post employment benefits:**a. Defined contribution plans:**

The Company has contributed to provident, pension and superannuation funds which are defined contribution plans. The contributions paid/ payable under the scheme are recognized during the year in which employee renders the related service.

b. Defined benefit plans:

Employees' gratuity is defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the other comprehensive income. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms that matches to the defined benefit obligation. Gratuity to employees is covered under Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India.

c. Compensated Absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit and loss in the year in which they arise.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

k FOREIGN CURRENCY TRANSACTIONS:

- (i) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction / rates that approximate the actual rates as at that date.
- (ii) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the statement of profit and loss.
- (iii) Non-monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- (iv) Branches are considered as integral foreign operations and have been translated at rates prevailing on the date of transaction/rate that approximates the actual rate as at that date. Branch monetary assets and liabilities outstanding as at year end are restated at the year end rates.

I TAXATION:

Income tax expense is the sum of current tax and deferred tax.

a) Current tax:

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

b) Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

m BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to the statement of profit and loss.

n LEASES:

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date of the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term. If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate and amounts

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

o PROVISIONS AND CONTINGENT LIABILITIES:

- i)** A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- ii)** Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.
- iii)** Provisions for warranty-related costs are recognized when the service provided to the customer. Initial recognition is based on historical experience and the present value of the future estimated obligation. The initial estimate of warranty-related costs is revised annually. The annual unwinding of interest is recognized in the Statement of Profit and Loss.
- iv)** A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

p FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i) Cash and Cash Equivalents:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

(ii) Financial assets at amortized cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

q IMPAIRMENT:

(i) Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Investment in Subsidiaries and Associates:

The Company has accounted for its investments in Subsidiaries and Associates at cost less impairment loss (if any).

(iii) Other Equity Investments:

All other equity instruments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(iv) Non-Financial Assets:

A non-financial asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss, in the year in which an asset is identified as impaired.

r Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Additional information:

- 1) Land taken on lease from KIADB at cost aggregating to ₹ 68.70 lakhs. On expiry of lease periods, payment of balance considerations if any, and execution of sale deeds, the relevant title will pass to the Company.
- 2) Management has determined that there are no significant parts of assets whose useful life is different from that of the principal asset to which it relates to in terms of Note 4 Schedule II to the Companies Act, 2013. Accordingly, useful life of assets have been determined for the overall asset and not for its individual components.
- 3) As required by the AS-10 (Revised), the Company has opted to follow revaluation model in respect of freehold land and leasehold land and has revalued the entire class of land as at April 1, 2016 which is the effective date of the revaluation by approved independent valuers and accordingly crediting revaluation reserve by ₹ 31,510.24 lakhs. Further during year ended March 31, 2019, revaluation reserve was reversed to the extent of ₹ 6,895.49 lakhs on account of sale of one of the freehold land. During the year ended March 31, 2021, Company have again revalued the entire class of land and accordingly credited ₹ 16,522.03 lakhs net gain on revaluation to revaluation reserve. The method adopted and significant assumptions applied in estimating fair values/revalues of the said lands are based on the local market surveys and from market enquiries. The independent valuers have arrived at the fair values/revalues of those lands considering the rates fixed by the respective State Government, the municipal limits where the respective lands are situated, considering the proximity/connectivities to the towns/cities and availability of similar kind of properties as duly assessed in the active markets.

3	The order of the honourable High Court of Karnataka according approval for the scheme of arrangement and amalgamation under sections 391 to 394 of the Companies Act, 1956 ("Scheme") was received in September 2008 with April 1, 2007 as the appointed date. This scheme of arrangement and amalgamation interalia involved transfer of the operating business of Kirloskar Power Equipment Limited ("KPEL") and amalgamation of Kaytee Switchgear Limited ("KSL") with the Company. The Scheme was registered with the Registrar of Companies on October 17, 2008. Decree in Form 42 of the Companies (Court) Rules, 1949 is yet to be passed by the honourable High Court of Karnataka.				
4	"The company has assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, inventories, tangible and intangible assets, investments and other assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period."				
5	Confirmation of balances from customers, suppliers and service providers with whom the Company had transactions are awaited in certain cases. Accounts with certain parties are under review and reconciliation. Adjustments will be made on completion of review/reconciliation. In the assessment of the management, effect on revenue if any, is not expected to be material.				
6	The customers of the Company had deducted liquidated damages and other charges for delays in delivery of goods as compared to contractual obligations. The Company has made representations to such customers explaining reasons for delays as well as impress upon them that the same were caused by various factors including those not attributable to it and as such being beyond its control. The Company had made necessary provision on an overall assessment of the likely loss where in its opinion waiver is not likely. The Company is confident that its representations will be accepted by customers and liquidated damages and other charges deducted will be waived. Impact, if any, on the financial statements is not expected to be material.				

NOTES TO FINANCIAL STATEMENTS

- 7 Certain mistakes noticed in the inventory records have been corrected to the extent identified based on physical inventory taken from time to time. The Company is in the process of identifying and analysing the differences adjusted/to be adjusted in the books of account on a comprehensive basis. The management has also formed a task force for liquidation of slow/non moving inventories in respect of which provision for inventories has been estimated and made. Any further adjustments required to the financial statements if any, is not expected to be material.
- 8 Current assets, loans and advances include ₹ 99.92 Lakhs (as at March 31, 2020 ₹ 101.32 Lakhs) being rescheduled advances from certain companies in which certain key managerial personnel are interested. The Company is confident that these companies will fulfill their obligations and has considered these amounts as good of recovery.
- 9 During a previous year, the shareholders of the Company at the Annual General Meeting held on September 30, 2013 have approved an Employee Stock Option Scheme. However, the Company has not issued any options as at March 31, 2021 and accordingly, recognition of expense in this respect and requisite disclosures are not applicable.

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

NOTES TO FINANCIAL STATEMENTS

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

KEC North America Inc has been dissolved. The investments in and dues from the said company have not been written off, pending receipt of approvals from Reserve Bank of India. However, full provision has been made for the same. Since the said company has been dissolved, the same has not been considered for related party disclosures.

In the month of February 2020, Company had applied with Ministry of Company Affairs ("MCA") for closure of two of its wholly owned subsidiaries, Kesvik Developers Private Limited and Swaki Habitat Private Limited, as there were no operations done in these subsidiaries. Accordingly, the investments in the above mentioned subsidiaries were written off in the books of account during the quarter ended September 30, 2020. Further, the Company has received the order of Strike off from MCA on November 16, 2020.

Provision of ₹ 6,064.00 Lakhs was made during current year for investment in one of its wholly owned subsidiary Luxquisite Parkland Private Limited.

NOTES TO FINANCIAL STATEMENTS

		31-Mar-20	1,468.66	1,008.61	17.03	313.43

Foot Note:

Provision in respect of wage settlement has been made on estimated basis and differences if any will be accounted on final settlement. Further as a matter of abundant caution an estimated provision as been made for contingencies as held in respect of ongoing litigations as detailed in note 24 and certain probable liability including in respect of customers.

15. Financial risk management objectives and policies:

The entity's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the entity's operations to support its operations. The entity's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents that are derived directly from its operations.

The entity is exposed to market risk/credit and liquidity risks. The entity's senior management oversee the management of these risks. The board reviews their activities. No significant derivative activities have been undertaken so far.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analysis in the following sections relate to the positions as at March 31, 2021 and March 31, 2020:

The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

The following assumption has been made in calculating sensitivity analysis.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021 and March 31, 2020 including the effect of hedge accounting.

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the some of the vendor payments and customer receivables.

NOTES TO FINANCIAL STATEMENTS

The foreign currency exposures that have not been hedged by any derivative instrument or otherwise as on Mar 31, 2021 are as under:

Particulars	As at March 31, 2021		As at March 31, 2020

	USD 472,802		USD 1,856,895	
	EUR 267,187		EUR 274,801	
	MYR 0.00		MYR 28,491	
	GBP 0.00		GBP 4,291.74	
	SGD 3,505,146		SGD 1,623,468	
	AED 809,342		AED 0.00	

* Excludes receivable of Euro 0.42 lakhs from Lloyd Dynamowerke GmbH & Co KG, as the same has been assigned to KELBUZZ Trading Private Limited, a wholly owned subsidiary

Foreign currency sensitivity:

Every 1% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial assets/liabilities for the years ended March 31, 2021 and March 31, 2020 would decrease the Company's loss and increase the Company's equity by approximately ₹ 23.28 Lakhs and ₹ 18.70 Lakhs respectively. A 1% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

16 Fair Value Measurement (Ind AS 113):

The Financial Instruments of the Company are initially recorded at fair value and subsequently measured at amortized cost based on the nature and timing of the cash flows.

The below table summarises particulars of Financial Instruments used:

Particulars	Note	As at 31-Mar-21	As at 31-Mar-20

The Company has not classified any Financial Asset or Liabilities as measured at Fair value through Profit and Loss (FVTPL) or measured at Fair Value through Other Comprehensive Income (FVTOCI).

Fair value of shares held by the Company in ICICI Bank Limited as at the three reporting dates have been computed based on its value traded in an active market and constitutes Level 1 in the fair value hierarchy as set out in Ind AS 113. Shares held by the Company in other entities which are unlisted and not traded in an active market have been valued based on their net asset value per share as per their latest available audited financial statements with the company. The increase / (decrease) is recognized in other comprehensive income as at March 31, 2020 and March 31, 2021 on this count is estimated at ₹ 6.27 Lakhs and ₹ 23.86 Lakhs respectively.

NOTES TO FINANCIAL STATEMENTS

The Fair Value of the above financial assets and liabilities are measured at amortized cost which is considered to be approximate to their fair values.

17. As reported in earlier years Lloyd Dynamowerke GmbH & Co. KG, Germany (LDW), a step down subsidiary of the Company, incurred substantial losses, thereby eroding its net worth and consequent to the actions of local directors of LDW, insolvency administrator was appointed by the court in Germany during the preceding year. The Company has been given to understand that a South Korean company acquired all significant assets, patents, estates, orders and employees of LDW. However, relevant details of the consideration for this transfer and all other relevant information are not available with the Company, in spite of its best efforts. The Company has already filed its claim for an approximate value of Euro 3.52 million in respect of outstanding towards supplies made to LDW including dues of Kirsons B V (immediate holding company of LDW). The Company has also appointed a local legal counsel to represent its interest and has filed certain claims. The legal proceedings are in progress in Germany. However the Company does not expect any material impact on the financial statements due to the same.
- 18 a. Wholly owned subsidiaries of the Company have incurred losses during the year and a part/ whole of their net worth have been eroded. However having regard to the estimated fair value of the assets which these Companies hold, the diminution in value has been considered as temporary and consequently no provision is required to be recognised in the financial statements.
- b. The Company had made an Investment of ₹ 60.64 Crores in its Wholly owned Subsidiary, Luxquisite Parkland Private Limited (LPPL). During the year ended March 31, 2021, based on the internal assessment made by the management, there is permanent diminution in the value of investment held by LPPL in the step down subsidiary of the Company, Kirsons B V. Hence, the investment is fully provided for impairment during the financial year .
- 19 a) As a measure of restructuring and with the consent of Leading Bank and other Lending banks under the Joint Lender Forum (JLF) mechanism, the Company had transferred in the year ended March 31, 2015 certain assets comprising of immovable properties, receivables and inventory to its subsidiaries - Kelbuzz Trading Private Limited, SKG Terra Promenade Private Limited and SLPKG Estate Holdings Private Limited, which will function as special purpose vehicles to hold such assets, dispose off the same and pay off certain debts (bank dues) transferred by the Company. The amounts outstanding and due from the subsidiaries as at March 31, 2021 in respect of the transfer of the assets as mentioned above, other expenses incurred by the subsidiaries reimbursed by the Company and interest charged totally amounts to ₹ 11,777.86 lakhs (₹ 12,531.50 lakhs as at March 31, 2020) after considering Ind AS adjustments. These subsidiaries are taking active steps to repay the dues of the Company from collection of debts (receivables) assigned and from disposal of immovable properties / inventories transferred apart from debts (bank dues) transferred / to be transferred as referred above. As on the date of results, the company was in advance stage of discussion for monetization of properties of its Subsidiaries. The Board of Directors are confident of recovering all the pending dues. However, based on expected credit losses as prescribed under Ind AS as against the incurred loss model envisaged under earlier GAAP, a sum of ₹ 8,400.77 lakhs has been provided upto March 31, 2021.
- b) The sale of the immovable properties referred above shall be carried out under the supervision of the Asset Sale Committee / Approval of Lender Bank. The Lenders forming part of JLF shall constitute the Asset Sale Committee.
- 20 The net worth (after excluding revaluation reserve) of the group in terms of the consolidated financial statements as at March 31, 2021 consisting of the Company, its subsidiaries and its associate is eroded. There were certain overdues in respect of banks and creditors. The Company and its components have initiated several measures like active steps being taken for disposal of non-core assets, arrangement under JLF mechanism for restructuring of dues to banks, sanction of further non-fund based limits by banks, infusion of capital by the promoters, rationalization of operations, introduction of value added products, push for sales, optimization in product mix and enhanced contribution, capital raising plans etc. The Company is in advanced stage of negotiation for funding arrangements with various parties which will improve the performance in forthcoming periods. The Company is confident that this funding arrangement will have a positive impact on the net worth of the Company. Accordingly, your directors have prepared these financial results of the Company on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.
- 21 The Company has filed before the Honorable Supreme Court, special leave petition in respect of resale tax and sales tax penalty of ₹ 527 lakhs (since merged with the Company) and confirmed by the honorable High Court of Karnataka. The Company has paid an aggregate amount of ₹ 298.17 lakhs as at March 31, 2017 against the demand which has been included in disputed statutory dues as reported in Note 10 to Financial Statements.
- 22 The Company during an earlier year restructured its loans under Joint Lenders Forum mechanism ("JLF"). As per the JLF, interest on cash credit accounts for the period October 2014 to September 2015 and on working capital demand loan from October 2014 to March 2016 were converted into Funded Interest Term Loan. Consequently the joint deed and other documentation was duly completed as permitted in the extant guidelines of the JLF mechanism. A Master Restructuring Agreement ("MRA") has been entered by the Company and its Lenders, Bank of India being the lead bank on June 30, 2015. In pursuance of the MRA the Company has executed other supplementary agreements including Trust and Retention Agreement ("TRA"). The agreements contain various terms and conditions in respect of the facilities sanctioned to the Company including setting up and reporting to the Monitoring Committee. The lenders shall have the right to convert at its

NOTES TO FINANCIAL STATEMENTS

option the whole of the outstanding amount of the facilities and / or part thereof into fully paid up equity shares of the Company in the manner specified in the notice in writing to be given by the Lenders to the Company ("Notice of Conversion") prior to the date on which the conversion is to take effect, which date shall be specified in the notice ("Date of Conversion"). The said shares shall rank parri-passu with the existing equity shares of the Company. Under the above circumstance, the Company believes based on legal advice / internal assessment that the outcome will be favorable, that losses are not probable and no provision is required to be recognized in this respect.

- 23** The Income Tax Act, 1961 contains provisions for determination of arm's length price for international transactions between the Company and its associated enterprises. The regulations envisage taxation of transactions which are not in consonance with the arm's length price so determined, maintenance of prescribed documents and information including furnishing of a report from an accountant before the due date for filing the return of income. For the year ended March 31, 2021, the Company is in the process of complying with the said regulations. Management believes that such transactions have been concluded on an arm's length basis and there would be no additional tax liability for the financial year under consideration as a result of such transactions.
- 24** During the previous year ended 31st March 2019, Company Bankers - Axis Bank had assigned its total debts due (excluding the Bank Guarantee Limits) in the Company and one of its subsidiary, Kelbuzz Trading Private Limited alongwith the underlying financial documents together with rights, benefits and obligations' there under to Asset Reconstruction Company (India) Ltd (ARCIL). During the current year, the Company has received the final Term Sheet based on which the necessary entries have been passed in the books of account and net benefit on account of such assignment has been shown under Exceptional Items of ₹ 471 Lakhs in Standalone and ₹ 982 Lakhs in Consolidated Financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of
KIRLOSKAR ELECTRIC COMPANY LIMITED, BENGALURU

Report on the Audit of the Consolidated Financial Statements**Qualified Opinion**

We have audited the accompanying Consolidated Ind AS financial statements of **KIRLOSKAR ELECTRIC COMPANY LIMITED** ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries collectively referred to as "the Group") and its associate, which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss, including Other Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and Notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at March 31, 2021, and its Consolidated profit including other comprehensive income, its Consolidated cash flows and the Consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

Attention of the members is invited to note 37(5) to the Consolidated Ind AS financial statements regarding trade receivables/ book debts exceeding two years and considered good by the management estimated at ₹ 2,459 lakhs. The relevant accounts are subject to adjustments, if required after management completes review, reconciliation and identification of doubtful debts. We are unable to express an independent opinion on the extent of shortfall in the recovery of the same.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

a. Going Concern Assessment – Effect of erosion in net worth of the group

Note 37(19) of the consolidated financial statements – The directors have detailed the reasons for preparing these Consolidated Ind AS financial statements on a going concern basis, though the Group (consisting of the Company, its subsidiaries and associate) has accumulated losses and their networth (after excluding revaluation reserve) has been eroded. There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the group adhering to the restructuring plan and infusion of requisite funds.

- Our Address on the Key Audit Matter

We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on the representations made by the Group and hence we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Group's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a. Attention of the members is invited to note 37(20) of the Consolidated Ind AS financial statements which sets out that the Group has filed Special Leave Petition in respect of demand of resale tax penalty of ₹ 527 lakhs before the Honourable Supreme Court of India. Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

Other Information

The Group's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Consolidated Ind AS financial statements and our auditor's report thereon. Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence regarding the shortfall in the recoverability of trade receivables/book debts exceeding two years and considered good by the management. Accordingly, we are unable to conclude whether or not the other information in relation to this is materially misstated with respect to this matter.

Responsibility of Management and Those Charged with Governance for Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Ind AS financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated changes in equity, consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid. In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. We did not audit the financial statements of 5 subsidiaries included in the Consolidated Ind AS financial statements, whose Ind AS financial statements reflect total assets of ₹ 718.56 lakhs as at March 31, 2021, total revenues of ₹16.67 lakhs and net cash flows of (₹ 799.35) lakhs for the year ended on that date, as considered in the Consolidated Ind AS financial statements. These Ind AS financial statements have been audited by other auditors whose reports have been furnished to us and our opinion on such Ind AS financial statements as consolidated is based solely on the report of such other auditors.
- b. Unaudited Ind AS financial statements of Kirloskar (Malaysia) Sdn, Bhd., an associate in which share of loss of the Group was ₹ Nil (restricted to the value of the investments) has been considered for preparation of these Consolidated Ind AS financial statements. Unaudited Ind AS financial statements as received from the said associate has been considered for the purpose of preparation of these Consolidated Ind AS financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Ind AS financial statements;

Annexure 'A' to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Kirloskar Electric Company Limited ("the Company") and its subsidiary companies which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiaries incorporated in India, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SEVENTY FOURTH ANNUAL REPORT 2020-21

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Other Matters

Our aforesaid reports under 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting as it related to 4 subsidiary companies, incorporated in India, are based on the corresponding reports of the auditor of such companies incorporated in India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

1 BACKGROUND:

The Consolidated Financial Statements comprise financial statements of "Kirloskar Electric Company Limited ("the Holding Company") and its subsidiaries and associate (collectively referred as "the Group") for the year ended March 31, 2021 and the principal activities of the group is manufacture and sale of electric motors, alternators, generators, transformers, switchgear, DG sets etc.

2 SIGNIFICANT ACCOUNTING POLICIES:

a BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial statements of the company have been prepared in accordance with IND AS as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments thereto.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Freehold Land classified as Own assets and Leasehold Land classified as Assets taken on Finance Lease
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

b PRINCIPLES OF CONSOLIDATION

- i) The financial statements of the Company and its subsidiaries have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenditures after eliminating intra group balances and transactions to the extent identified and reconciled in accordance with Indian Accounting Standard (Ind AS) 110 - Consolidated Financial Statements .
- ii) The stepdown subsidiary of the Company, namely Kirsons BV has been classified as an 'Integral Foreign Operation'. Revenue items denominated in foreign currency have been converted at the average rate prevailing during the year. Non monetary foreign currency assets and liabilities have been accounted at the rate of exchange prevailing on the transaction date. Monetary foreign currency assets and liabilities have been converted at the rates prevailing at the end of the year. Resultant differences have been adjusted in the statement of profit & loss.
- iii) Lloyd Dynamowerke GmbH & Co. KG ("LDW") and Lloyd Beteiligungs GmbH were classified as 'Non Integral Foreign Operations'. Revenue items were consolidated at the average rate prevailing during the year and all assets and liabilities were converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation was recognised in the Foreign currency translation reserve.
- iv) The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries and associates are recognised in the financial statements as Goodwill or Capital Reserve, as the case may be.
- v) Investments in associate companies have been accounted under the equity method as per Ind AS 28 - "Investments in Associates and Joint Ventures".
- vi) Under the equity method of accounting, the investment is initially recorded at cost, identifying any goodwill / capital reserve arising at the time of acquisition. The carrying amount of investment is adjusted thereafter for post acquisition changes in the investor's share of net assets of the investee. The consolidated statement of profit and loss reflects the investor's share of the results of operations of the investee. Calculation of goodwill/ capital reserve as well as post acquisition changes has been made based on available information. Comprehensive information was not available.

c FUNCTIONAL AND PRESENTATION CURRENCY:

These financial statements are presented in Indian Rupees (₹), which is the Company's functional currency. All financial information is presented in Indian Rupees (₹) rounded to the nearest Lakhs, except share and Earning per share data, unless otherwise stated.

d FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- * In the principal market for the asset or liability, or
- * In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- * Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- * Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- * Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e PROPERTY, PLANT AND EQUIPMENT ("PPE"):

(i) Tangible Assets:

Land has been recognized on the revaluation model envisaged in Ind AS 16. Revaluations are carried out at sufficient regularity. Other items of PPE are stated at the cost of acquisition less accumulated depreciation and write down for, impairment if any. Direct costs are capitalized until the assets are ready to be put to use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of PPE as per Ind AS 16 are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of PPE and are recognized in the statement of profit and loss when the PPE is derecognized.

(ii) Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets comprise computer software held for use. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

In both cases, the company has opted for the exemption provided in Ind AS 101 by treating the book value of PPE (other than land which was revalued on April 01,2016) and intangible assets as on the transition date (April 01,2016) as the deemed cost of the relevant assets.

(iii) Depreciation & Amortization:

- a. Depreciation on furniture and fixtures costing above ₹ 5,000/- provided at the residences of the employees has been charged at the rate of 33.33% on the straight-line method irrespective of the month of addition.
- b. Depreciation on assets taken on finance lease is charged over the primary lease period.
- c. Depreciation on PPE (other than Furniture and Fixtures provided to employees and assets taken on finance lease) bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act 2013 on a monthly basis, depending upon the month of the financial year in which the assets are installed/sold.
- d. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

f INVESTMENT PROPERTIES:

- a. Investment properties are properties held for a currently undetermined future use and are valued at cost.
- b. An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the standalone statement of profit and loss in the period in which the property is derecognized.

g NON CURRENT ASSETS HELD FOR SALE:

Non Current Assets held for sale are stated at cost or estimated net realizable value, whichever is lower.

h INVENTORIES:

- (i) Inventories does not include spare parts ,servicing equipment and stand by equipment which meet definition of PPE as per AS-10 (revised) .
- (ii) Raw materials, stores, spare parts and components are valued at cost on weighted average basis or net realizable value whichever is lower.
- (iii) Work in progress is valued at works cost or net realizable value whichever is lower.
- (iv) Finished goods are valued at works cost or net realizable value whichever is lower.
- (v) Material cost of work in progress and finished goods are computed on weighted average basis.

i REVENUE RECOGNITION:

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognised at the date of initial application as an adjustment to the opening balance of retained earnings. Therefore, the comparative information was not restated and continues to be reported under Ind AS 11 and Ind AS 18.

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

j EMPLOYEE BENEFITS:

(i) Short term employee benefits:

All short-term employee benefits such as salaries, wages, bonus, special awards and medical benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognized on an undiscounted basis and charged to the statement of profit and loss.

(ii) Post employment benefits:

a. **Defined contribution plans:**

The Company has contributed to provident, pension and superannuation funds which are defined contribution plans. The contributions paid/ payable under the scheme are recognized during the year in which employee renders the related service.

b. **Defined benefit plans:**

Employees' gratuity is defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the other comprehensive income. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at the balance sheet date on Government bonds where the currency and terms of

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

the Government bonds are consistent with the currency and estimated terms that matches to the defined benefit obligation. Gratuity to employees is covered under Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India.

c. Compensated Absences:

Compensated Absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit and loss in the year in which they arise.

k FOREIGN CURRENCY TRANSACTIONS:

- (i) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction / rates that approximate the actual rates as at that date.
- (ii) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the statement of profit and loss.
- (iii) Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- (iv) Branches are considered as integral foreign operations and have been translated at rates prevailing on the date of transaction/rate that approximates the actual rate as at that date. Branch monetary assets and liabilities outstanding as at year end are restated at the year end rates.

l TAXATION:

Income tax expense is the sum of current tax and deferred tax.

Current tax:

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

m BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relating to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to the statement of profit and loss.

n LEASES:

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

(i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term. If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

o PROVISIONS AND CONTINGENT LIABILITIES:

- i) A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- ii) Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.
- iii) Provisions for warranty-related costs are recognized when the service provided to the customer. Initial recognition is based on historical experience and the present value of the future estimated obligation. The initial estimate of warranty-related costs is revised annually. The annual rewinding of interest is recognized in the Statement of Profit and Loss.
- iv) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

p FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**(i) Cash and Cash Equivalents:**

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

(ii) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

q IMPAIRMENT:**(i) Financial Assets:**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Other Equity Investments:

All other equity instruments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(iii) Non Financial Assets:

A non financial asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss, in the year in which an asset is identified as impaired.

r Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Additional information:

- 1) Land taken on lease from KIADB at cost aggregating to ₹ 68.70 lakhs. On expiry of lease periods, payment of balance considerations if any, and execution of sale deeds, the relevant title will pass to the Company.
- 2) Management has determined that there are no significant parts of assets whose useful life is different from that of the principal asset to which it relates to in terms of Note 4 Schedule II to the Companies Act, 2013. Accordingly, useful life of assets have been determined for the overall asset and not for its individual components.
- 3) As required by the AS-10 (Revised), the Company has opted to follow revaluation model in respect of freehold land and leasehold land and has revalued the entire class of land as at April 1, 2016 which is the effective date of the revaluation by approved independent valuers and accordingly crediting revaluation reserve by ₹ 31,510.24 lakhs. Further during year ended March 31, 2019, revaluation reserve was reversed to the extent of ₹ 6,895.49 lakhs on account of sale of one of the freehold land. During the year ended March 31, 2021, Company have again revalued the entire class of land and accordingly credited ₹ 16,522.03 lakhs net gain on revaluation to revaluation reserve. The method adopted and significant assumptions applied in estimating fair values/revalues of the said lands are based on the local market surveys and from market enquiries. The independent valuers have arrived at the fair values/revalues of those lands considering the rates fixed by the respective State Government, the municipal limits where the respective lands are situated, considering the proximity/connectivities to the towns/cities and availability of similar kind of properties as duly assessed in the active markets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- 3** The order of the honourable High Court of Karnataka according approval for the scheme of arrangement and amalgamation under sections 391 to 394 of the Companies Act, 1956 ("Scheme") was received in September 2008 with April 1, 2007 as the appointed date. This scheme of arrangement and amalgamation interalia involved transfer of the operating business of Kirloskar Power Equipment Limited ("KPEL") and amalgamation of Kaytee Switchgear Limited ("KSL") with the Company. The Scheme was registered with the Registrar of Companies on October 17, 2008. Decree in Form 42 of the Companies (Court) Rules, 1949 is yet to be passed by the honourable High Court of Karnataka.
- 4** "The company has assessed the impact that may result from this pandemic on its liquidity position, carrying amounts of receivables, inventories, tangible and intangible assets, investments and other assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period."
- 5** Confirmation of balances from customers, suppliers and service providers with whom the Company had transactions are awaited in certain cases. Accounts with certain parties are under review and reconciliation. Adjustments will be made on completion of review/reconciliation. In the assessment of the management, effect on revenue if any, is not expected to be material.
- 6** The customers of the Company had deducted liquidated damages and other charges for delays in delivery of goods as compared to contractual obligations. The Company has made representations to such customers explaining reasons for delays as well as impress upon them that the same were caused by various factors including those not attributable to it and as such being beyond its control. The Company had made necessary provision on an overall assessment of the likely loss where in its opinion waiver is not likely. The Company is confident that its representations will be accepted by customers and liquidated damages and other charges deducted will be waived. Impact, if any, on the financial statements is not expected to be material.
- 7** Certain mistakes noticed in the inventory records have been corrected to the extent identified based on physical inventory taken from time to time. The Company is in the process of identifying and analysing the differences adjusted/to be adjusted in the books of account on a comprehensive basis. The management has also formed a task force for liquidation of slow/non moving inventories in respect of which provision for inventories has been estimated and made. Any further adjustments required to the financial statements if any, is not expected to be material.
- 8** Current assets, loans and advances include ₹ 99.92 Lakhs (as at March 31, 2020 ₹ 101.32 Lakhs) being rescheduled advances from certain companies in which certain key managerial personnel are interested. The Company is confident that these companies will fulfill their obligations and has considered these amounts as good of recovery.
- 9** During a previous year, the shareholders of the Company at the Annual General Meeting held on September 30, 2013 have approved an Employee Stock Option Scheme. However, the Company has not issued any options as at March 31, 2021 and accordingly, recognition of expense in this respect and requisite disclosures are not applicable.

funded amount	2,291.77	2,130.19	(1,730.30)	(1,604.83)	(1,566.35)
Experience Gain/ (loss) adjustments on plan liabilities	86.69	(37.47)	113.32	80.92	100.36
Experience Gain/ (loss) adjustments on plan assets	(3.20)	(9.04)	(11.72)	(6.54)	(15.35)
Actuarial gain/ (loss) due to change in assumptions	2.86	(127.20)	(14.83)	67.71	(92.05)

(c) Sensitivity Analysis:

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, has been determined based on possible effect of changes of an assumption occurring at end of the reporting period, while holding all other assumptions constant.

(₹ In Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	Decrease	Increase	Decrease	Increase
Change in discounting rate (delta effect of +/- 0.5%)	73.66	(69.40)	80.34	(75.55)
Change in rate of salary increase (delta effect of +/- 0.5%)	(69.62)	73.20	(75.78)	79.82
Change in rate of plan assets (delta effect of +/- 0.5%)	0.95	(0.91)	1.20	(1.15)

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Further as a matter of abundant caution an estimated provision has been made for contingencies as held in respect of ongoing litigations as detailed in note 24 and certain probable liability including in respect of customers.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

15 Financial risk management objectives and policies:

The entity's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the entity's operations to support its operations. The entity's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents that are derived directly from its operations.

The entity is exposed to market risk/credit and liquidity risks. The entity's senior management oversee the management of these risks. The board reviews their activities. No significant derivative activities have been undertaken so far.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analyses in the following sections relate to the positions as at March 31, 2021 and March 31, 2020

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

The following assumption has been made in calculating sensitivity analyses.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2021, and March 31, 2020 including the effect of hedge accounting.

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the some of the vendor payments and customer receivables.

The foreign currency exposures that have not been hedged by any derivative instrument or otherwise as on March 31, 2021 are as under:

Particulars	As at March 31, 2021		As at March 31, 2020	
	FCY	₹ in Lakhs	FCY	₹ in Lakhs
Assets (Receivables)	USD 202,364	288.32	USD 632,033	609.98
	EUR 127,344		EUR 167,344	
	AED 154,376		AED 0.00	
Liabilities (Payables)	USD 472,802	2,650.21	USD 1,856,895	2,479.61
	EUR 267,187		EUR 274,801	
	MYR 0.00		MYR 28,491	
	GBP 0.00		GBP 4,291.74	
	SGD 3,505,146		SGD 1,623,468	
	AED 809,342		AED 0.00	

Foreign currency sensitivity:

Every 1% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial assets/liabilities for the years ended March 31, 2021 and March 31, 2020 would decrease the Company's loss and increase the Company's equity by approximately ₹ 23.62 Lakhs and ₹ 18.70 Lakhs respectively. A 1% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

16 Fair Value Measurement (Ind AS 113):

The Financial Instruments of the Company are initially recorded at fair value and subsequently measured at amortized cost based on the nature and timing of the cash flows.

The below table summarises particulars of Financial Instruments used:

(₹ In Lakhs)

Particulars	Note	As at 31-March-21	As at 31-March-20

Trade Payables	22	13,907.95	12,540.04
Total Financial Liabilities		30,109.45	31,096.91

The Company has not classified any Financial Asset or Liabilities as measured at Fair value through Profit and Loss (FVTPL) or measured at Fair Value through Other Comprehensive Income (FVTOCI).

Fair value of shares held by the Company in ICICI Bank Limited as at the three reporting dates have been computed based on its value traded in an active market and constitutes Level 1 in the fair value hierarchy as set out in Ind AS 113. Shares held by the Company in other entities which are unlisted and not traded in an active market have been valued based on their net asset value per share as per their latest available audited financial statements with the company. The increase/decrease is recognized in other comprehensive income as at March 31, 2020 and March 31, 2021 on this count is estimated at ₹ 9.67 Lakhs and ₹ 23.86 Lakhs respectively.

The Fair Value of the above financial assets and liabilities are measured at amortized cost which is considered to be approximate to their fair values.

- 17** As reported in earlier years Lloyd Dynamowerke GmbH & Co. KG, Germany (LDW), a step down subsidiary of the Company, incurred substantial losses, thereby eroding its net worth and consequent to the actions of local directors of LDW, insolvency administrator was appointed by the court in Germany during the preceding year. The Company has been given to understand that a South Korean company acquired all significant assets, patents, estates, orders and employees of LDW. However, relevant details of the consideration for this transfer and all other relevant information are not available with the Company, in spite of its best efforts. The Company has already filed its claim for an approximate value of Euro 3.52 million in respect of outstanding towards supplies made to LDW including dues of Kirsons B V (immediate holding company of LDW). The Company has also appointed a local legal counsel to represent its interest and has filed certain claims. The legal proceedings are in progress in Germany. However the Company does not expect any material impact on the financial statements due to the same.
- 18** a. Wholly owned subsidiaries of the Company have incurred losses during the year and a part/ whole of their net worth have been eroded. However having regard to the estimated fair value of the assets which these Companies hold, the diminution in value has been considered as temporary and consequently no provision is required to be recognised in the financial statements.
- b. The Company had made an Investment of ₹ 60.64 Crores in its Wholly owned Subsidiary, Luxquisite Parkland Private Limited (LPPL). During the year ended March 31, 2021, based on the internal assessment made by the management, there is permanent diminution in the value of investment held by LPPL in the step down subsidiary of the Company, Kirsons B V. Hence, the investment is fully provided for impairment during the financial year .

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- 19** The net worth (after excluding revaluation reserve) of the group in terms of the consolidated financial statements as at March 31, 2020 consisting of the Company, its subsidiaries and its associate is eroded. There were certain overdues in respect of banks and creditors. The Company and its components have initiated several measures like active steps being taken for disposal of non-core assets, arrangement under JLF mechanism for restructuring of dues to banks, sanction of further non-fund based limits by banks, infusion of capital by the promoters, rationalization of operations, introduction of value added products, push for sales, optimization in product mix and enhanced contribution, capital raising plans etc. The Company is in advanced stage of negotiation for funding arrangements with various parties which will improve the performance in forthcoming periods. The Company is confident that this funding arrangement will have a positive impact on the net worth of the Company. Accordingly, your directors have prepared these financial statements of the Company on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.
- 20** The Company has filed before the Honorable Supreme Court, special leave petition in respect of resale tax and sales tax penalty of ₹ 527 lakhs (since merged with the Company) and confirmed by the honorable High Court of Karnataka. The Company has paid an aggregate amount of ₹ 298.17 lakhs as at March 31, 2017 against the demand which has been included in disputed statutory dues as reported in Note 10 to Financial Statements.
- 21** The Company during an earlier year restructured its loans under Joint Lenders Forum mechanism ("JLF"). As per the JLF, interest on cash credit accounts for the period October 2014 to September 2015 and on working capital demand loan from October 2014 to March 2016 were converted into Funded Interest Term Loan. Consequently the joint deed and other documentation was duly completed as permitted in the extant guidelines of the JLF mechanism. A Master Restructuring Agreement ("MRA") has been entered by the Company and its Lenders, Bank of India being the lead bank on June 30, 2015. In pursuance of the MRA the Company has executed other supplementary agreements including Trust and Retention Agreement ("TRA"). The agreements contain various terms and conditions in respect of the facilities sanctioned to the Company including setting up and reporting to the Monitoring Committee. The lenders shall have the right to convert at its option the whole of the outstanding amount of the facilities and / or part thereof into fully paid up equity shares of the Company in the manner specified in the notice in writing to be given by the Lenders to the Company ("Notice of Conversion") prior to the date on which the conversion is to take effect, which date shall be specified in the notice ("Date of Conversion"). The said shares shall rank parri-passu with the existing equity shares of the Company. Under the above circumstance, the Company believes based on legal advice / internal assessment that the outcome will be favorable, that losses are not probable and no provision is required to be recognized in this respect.
- 22** During the previous year, Company Bankers - Axis Bank had assigned its total debts due (excluding the Bank Guarantee Limits) in the Company and one of its subsidiary, Kelbuzz Trading Private Limited alongwith the underlying financial documents together with rights, benefits and obligations' there under to Asset Reconstruction Company (India) Ltd (ARCIL). During the year ended 31st March, 2020, the Company has received the final Term Sheet based on which the necessary entries have been passed in the books of account and net benefit on account of such assignment has been shown under Exceptional Items of ₹ 471 Lakhs in Standalone and ₹ 982 Lakhs in Consolidated Financial statements.
- 23** The Income Tax Act, 1961 contains provisions for determination of arm's length price for international transactions between the Company and its associated enterprises. The regulations envisage taxation of transactions which are not in consonance with the arm's length price so determined, maintenance of prescribed documents and information including furnishing of a report from an accountant before the due date for filing the return of income. For the year ended March 31, 2021, the Company is in the process of complying with the said regulations. Management believes that such transactions have been concluded on an arm's length basis and there would be no additional tax liability for the financial year under consideration as a result of such transactions.

SEVENTY FOURTH ANNUAL REPORT 2020-21

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF M/s. Kelbuzz Trading Private Limited

Report on the IND AS Financial Statements:

Opinion:

We have audited the accompanying standalone IND AS financial statements of M/s. Kelbuzz Trading Private Limited ("the Company"), which comprises of the Balance Sheet as at 31 March, 2021 and the Statement of Profit and loss, the Cash Flow Statement, the statement for Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information annexed thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the company as at 31st March 2021, and its loss and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified u/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit or the Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained have sufficient and appropriate to provide basis for our audit opinion on Standalone IND AS financial statements.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

SEVENTY FOURTH ANNUAL REPORT 2020-21

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements:

1. As required by the Companies (Auditor's Report) Order, 2016, ("The Order") issued by the Government of India, in terms of sub section (11) of section 143 of the Act. And on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure 1", a statement on the matters specified in the paragraphs 3 & 4 of the said order
2. As required under Section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books ;
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of accounts.
 - d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) on the basis of written representations received from the directors, taken on record by the Board of Directors, none of the directors is disqualified from being appointed as a Director in terms of Section 164(2) of the Act as on 31st March 2021; and
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2"; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, we do not offer any comment on the remuneration paid by the company to its Directors as during the aforementioned period, no remuneration has been paid by the company to its Directors
 - h) with respect to the other matters to be included in the auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have pending litigations, which would impact its Ind AS financial statements
 - ii. The company did not have any long term contracts and has not entered into any derivative contracts. Accordingly no provision is required to be recognized in respect of material foreseeable losses under applicable laws or accounting standards.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure –2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Kelbuzz Trading Private Limited** ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS

1 BACKGROUND:

Kelbuzz Trading Private Limited ("the Company") was incorporated on December 5, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle ("SPV") as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 ASSETS HELD FOR SALE:

Assets held for sale are stated at the cost or estimated net realizable value whichever is lower.

2.4 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.5 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

2.6 PROVISIONS AND CONTINGENT LIABILITIES:

- a. A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- b. Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

- 18** The company has assessed the impact that may result from this pandemic on its assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.
- 19** Previous period/year figures have been regrouped wherever necessary to confirm with current period presentation.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF M/s. Luxquisite Parkland Private Limited

Report on the IND AS Financial Statements:

Opinion:

We have audited the accompanying standalone IND AS financial statements of M/s. **Luxquisite Parkland Private Limited** ("the Company"), which comprises of the Balance Sheet as at 31 March, 2021 and the Statement of Profit and loss, the Cash Flow Statement, the statement for Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information annexed thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the company as at 31st March 2021, and its loss and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified u/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit or the Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained have sufficient and appropriate to provide basis for our audit opinion on Standalone IND AS financial statements.

Key Audit Matters:

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of standalone financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Standalone Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined that there are no Key Audit Matters to communicate in our report.

Information other than the standalone financial statements and the auditors report thereon:

The company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Business responsibility report, Corporate Governance and Shareholders Information, but does not include the standalone IND AS financial statements and our Auditors report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and in doing so, whether, the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material mis-statement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these stand alone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

SEVENTY FOURTH ANNUAL REPORT 2020-21

Annexure –2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Luxquisite Parkland Private Limited** ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

LUXQUISITE PARKLAND PRIVATE LIMITED**NOTES TO FINANCIAL STATEMENTS****1 BACKGROUND:**

Luxquisite Parkland Private Limited ("the Company") was incorporated on December 2, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle ("SPV") as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:**

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.4 IMPAIRMENT**(ii) Investment in Subsidiaries and Associates:**

The Company has accounted for its investments in Subsidiaries at cost less impairment loss (if any).

2.5 PROVISIONS AND CONTINGENT LIABILITIES:

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

2.6 FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i) Cash and Cash Equivalents:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS

- 13** In March 2020, the WORLD HEALTH ORGANISATION declared COVID-19 to be a pandemic. Consequent to this the Government of India declared a National lockdown on March 25, 2020. The company has assessed the impact that may result from this pandemic on its assets/ liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the company considered internal and external information available till the date of approval of these financial results and has assessed this situation. In that context and based on the current estimates, the company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However, the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at date of approval of these financial statements. The company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant period.
- 14** Previous years figures have been regrouped wherever required in conformity with current year presentation.

INDEPENDENT AUDITORS' REPORT**TO THE MEMBERS OF M/s. SLPKG Estate Holdings Private Limited****Report on the IND AS Financial Statements:****Opinion:**

We have audited the accompanying standalone IND AS financial statements of M/s. SLPKG Estate Holdings Private Limited ("the Company"), which comprises of the Balance Sheet as at 31 March, 2021 and the Statement of Profit and loss, the Cash Flow Statement, the statement for Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information annexed thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone IndAS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the company as at 31st March 2021, and its loss and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified u/s 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit or the Financial Statements section of our report. We are Independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics.

We believe that the audit evidence we have obtained have sufficient and appropriate to provide basis for our audit opinion on Standalone IND AS financial statements.

Key Audit Matters:

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of standalone financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Standalone Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

Key Audit Matter	How our audit addressed the Key audit matter
Carrying value of the Trade receivables transferred from Holding company outstanding for a period of more than two years.	Our audit procedures included but were not limited to the following: <ol style="list-style-type: none">1. Evaluating the reasonableness of the assumptions considered by the management in estimation of the realization value of the receivables.2. Review of the disclosure made by the company in the financial statements in this regard.

Information other than the standalone financial statements and the auditors report thereon:

The company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Business responsibility report, Corporate Governance and Shareholders Information, but does not include the Standalone IND AS financial statements and our Auditors report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and in doing so, whether, the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material mis-statement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position,

financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

SEVENTY FOURTH ANNUAL REPORT 2020-21

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements:

1. As required by the Companies (Auditor's Report) Order, 2016, ("The Order") issued by the Government of India, in terms of sub section (11) of section 143 of the Act. And on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure 1", a statement on the matters specified in the paragraphs 3 & 4 of the said order
2. As required under Section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books ;
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of accounts.
 - d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) on the basis of written representations received from the directors, taken on record by the Board of Directors, none of the directors is disqualified from being appointed as a Director in terms of Section 164(2) of the Act as on 31st March 2021; and
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2"; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, we do not offer any comment on the remuneration paid by the company to its Directors as during the aforementioned period, no remuneration has been paid by the company to its Directors
 - h) with respect to the other matters to be included in the auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have pending litigations, which would impact its Ind AS financial statements
 - ii. The company did not have any long term contracts and has not entered into any derivative contracts. Accordingly no provision is required to be recognized in the respect of material foreseeable losses under applicable laws or accounting standards.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure –2 to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SLPKG Estate Holdings Private Limited** (“the Company”) as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS**1 BACKGROUND:**

SLPKG Estate Holdings Private Limited ("the Company") was incorporated on December 2, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle ("SPV") as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:**

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 ASSETS HELD FOR SALE:

Assets held for sale are stated at the cost or estimated net realizable value whichever is lower.

2.4 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.5 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

2.6 PROVISIONS AND CONTINGENT LIABILITIES:

- a. A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- b. Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

2.7 FINANCIAL INSTRUMENTS:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

Information other than the standalone financial statements and the auditors report thereon:

The company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Business responsibility report, Corporate Governance and Shareholders Information, but does not include the standalone IND AS financial statements and our Auditors report thereon.

Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and in doing so, whether, the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material mis-statement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility:

Our objectives are to obtain reasonable assurance about whether the financial statements are as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, mis-representation, or the override or internal control
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and event in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its operations to express an opinion on the standalone financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the standalone financial statements of which we are the independent auditors. For the other entities included in the standalone financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Annexure –2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SKG Terra Promenade Private Limited** (“the Company”) as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS**1 BACKGROUND:**

SKG Terra Promenade Private Limited ("the Company") was incorporated on December 3, 2014 and is a subsidiary of Kirloskar Electric Company Limited. The Company has been formed as Special Purpose Vehicle ("SPV") as per the restructuring terms.

2 SIGNIFICANT ACCOUNTING POLICIES:**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS:**

The financial accounts are prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India, including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. All income and expenditure, having a material bearing on financial statements, are recognized on accrual basis.

2.2 USE OF ESTIMATES:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2.3 ASSETS HELD FOR SALE:

Assets held for sale are stated at the cost or estimated net realizable value whichever is lower.

2.4 TAXES ON INCOME:

Provision for current tax for the year is after taking cognizance of excess / short provision in prior years. Deferred tax assets/liability is recognized, subject to consideration of prudence, on timing differences.

2.5 IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to profit and loss account, in the year in which an asset is identified as impaired.

2.6 PROVISIONS AND CONTINGENT LIABILITIES:

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Financial effect of contingent liabilities is disclosed based on information available upto the date on which financial statements are approved. However, where a reasonable estimate of financial effect cannot be made, suitable disclosures are made with regard to this fact and the existence and nature of the contingent liability.

1 INDEPENDENT AUDITOR'S REPORT

To the Managing Board of Directors

AUDITOR'S REPORT

2 Statutory rules concerning the appropriation of the profit

According to article 28 of the Articles of Association the appropriation of the profit is as follows:

1. The profit shall be at the free disposal of the general meeting of shareholders.
2. The company may only make distributions to the shareholders and others entitled to the profit susceptible of distribution in so far as the equity is greater than the paid-up and called part of the capital increased by the reserves that must be maintained by virtue of the law.
3. Distribution of profit shall be made after adoption of the annual accounts showing that it is permitted.
4. On shares acquired by the company in its own capital or at their depositary receipts no distribution shall be made for the benefit of the company. When the appropriation of profit is calculated, the shares on which no distribution is made in pursuance of the preceding paragraph shall not be counted.
5. In the meantime the company may only make distributions if the requirement of paragraph 2 has been fulfilled.
6. The general meeting of shareholders may resolve that dividends will be paid out entirely or partly in another form than money.
7. Out of the reserves prescribed by the law a deficit may only be paid in so far as the law permits this.
8. Dividends must be made payable one month after declaration, unless the general meeting of shareholders sets another time.
9. Claims on dividend shall lapse on expiry of five years after the start of the day following the one on which they became claimable.

3 Processing of the loss for the financial year 2020-2021

According to Dutch legislation the loss of the current period amounting to 390.357,81 has to be deducted from the other reserves. This deduction has already been accounted for in these financial statements.
